K-LITE Industries | Chennai .

Feb 2021 - Nov 2021

Industrial robot that I have worked is **YASKAWA MOTOMAN** .

COURSES & TRAINING

- **Advanced Industrial Process Automation & Robotics .**

  Axis Global Institute of Industrial Training Chennai.

- **MERN Stack Development**

  GUVI Geek Networks, IITM Research Park | Chennai .

FINAL YEAR PROJECT

Android app based home automation using IoT .

The idea of smart home automation initiates the control of various home appliances and security. The inclusiveness of Internet of Things (IoT) manages the sensor outputs and congregates the information which is mandatory for automation.
